Action Taken Report – 2019-20

Source of Feedback: Feedback from Teachers, Alumni and Students

We collected feedback from teachers, Alumni and students to make our College better. We listened to what they said and made plans to improve things based on their suggestions.

Summary of Feedback: Teachers and students told us about different things they think can be better in college campus regarding infrastructure improvement and other facilities along with teaching learning & curriculum related.

Teaching Methods: How teachers teach in class.

What We Learn: The subjects we study and if they're useful.

Classroom Environment: How comfortable and friendly the classroom feels.

Tests and Feedback: How we are tested and how teachers tell us how we're doing.

Resources: Things like books, computers, and help from teachers.

Action Taken: Here's what we're doing to make things better:

Teacher Workshops: We're teaching teachers new and fun ways to teach. Updating What We Learn: We're making sure we learn things that are useful and interesting. Teachers have encouraged to join FDP, Refresher, Orientation, Workshop, Conferences on teaching learning methods to

Improving Classrooms & Teaching Learning: We're making classrooms nicer and more fun to learn in. We are planning to add Google classroom as LMS & share assignments, quiz, questionnaires to students to take part and enhance the teaching learning.

Better Tests and Feedback: We're finding new ways to test how well we learn and giving feedback quicker. Add adequate questions and feedback mechanism to gather more response.

More Resources: We're getting more books, computers, and help from teachers for everyone. Update the website with notice, routine, syllabus and other information's.

More Facilities: Getting more resources soon, we will put all facilities and resources issue in upcoming development committee meeting and resolve them to facilitate the same.

Monitoring and Evaluation: We'll keep checking if these changes are helping. We'll ask teachers and students how things are going and if there's more we can do to make things better.

Conclusion: We want our college to be the best place to learn. By listening to teachers and students, we're making changes to make everyone's time here even better.

Good

I would like to suggest the activity, events, campus happening should be regularly updated on our website, so every wings in college must share the information to tech team for implementation for same.

test

With limited resources, college is running extremely well now. I suggest/request all students to attend their respective classes regularly, they will get benefitted. Moreover, now college is ICT enabled, i.e., equipped with smart classes with latest technology. So, be a part of its development.

skills and help them grow as professionals.

Excellent efforts

I support every work of college. I am grateful that I have done with the full support of Graduation Lakshmi Madam from psychology.

I was employed at the B.N. College, Bhagalpur (bnc) for almost 15 years. The academic environment in the bnc was very conducive to my research goal and the staffs of the bnc were very supportive of my academic endeavours.

great to be a part of this institute, college should organize more alumuni meet and increase interaction of
