Annual Report (April 2022 to March 2023)

NSS Unit of B. N. College, Bhagalpur

OBJECTIVES:

The principal objective of National Service Scheme unit, Bhagalpur National College Bhagalpur is towards building a beautiful world and spreading the message of environmental preservation, peace and education among today's youth. N.S.S., B. N. College Bhagalpur works on a diverse range of social issues including blood donation, spreading awareness, environmental issues, spreading education at primary levels, etc. Our N.S.S. unit also aims to work for the betterment of society and instill the spirit of social service among the young volunteers. It organizes almost all awareness drive enriched with moral and spiritual values, such as International Yoga Day, National Youth Day, National Environmental Day, National Science Day, National Road Safety Week, awareness drive to encourage voting participation in the election. Apart from these events, unit organizes 7 days special camp every year, particularly at deprived area/adopted village. During these seven days, volunteers conduct various awareness drive among residents belonging to this area. Furthermore, N.S.S. volunteers of this college participate in several activities/meetings directed by university authorities. We also regularly monitor the adopted a deprived locality in order to develop it as 'model village', in accordance with direction given by governing authority. We frequently visit this adopted area and conduct various awareness drives among which, health issues, cleanliness drive, educations, woman empowerment, plantation, hygienic related drives are important. In this context, volunteers along with Principal, university officials and college employees equipped with banners and slogans conduct a rally from college to this village.

N.S.S. unit of B. N. College Bhagalpur also works on a diverse range of social issues including encouraging blood donation, spreading awareness on various relevant issues, environmental awareness program, spreading education at primary levels, etc. Our N.S.S. unit also aims to work for the betterment of society and instill the spirit of social service among the young students. Some

of volunteers belonging to this college has performed at national level platforms. Important drive exhibited by NSS unit of B. N. College Bhagalpur, during session 2022-2023 are listed below:

Date: 16. 04.2022: Participation of volunteers during the awareness drive organized by Dainik 'Prabhat Khabar: 16.04.2022

On 16th of April 2022, an awareness drive was organized by Dainik 'Prabhat Khabar' in Bhagalpur city to make the city free from plastic and drug addiction. Some of volunteers from B. N. College, Bhagalpur have participated in the event and rally from Ghantaghar to Kotwali.

Date: 15. 05.2022; Selection of three NSS volunteers for National Integration Camp:

Three NSS volunteers of B. N. College, Bhagalpur have been selected to attend the National Integration Camp, which was being organized by Regional Directorate of National Service Scheme, Patna from May 18, 2022 to May 24, 2022 at Arka Jain University Jamshedpur (Tatanagar), Jharkhand. According to Regional Director Piyush Paranjpe, cultural programs (classical dance, classical singing, folk dance and folk songs etc.), educational programs, speeches

and other programs were supposed to be organized during the camp, in which volunteers/volunteers from different regions of the country mainly explore their performance based on their respective regional art and culture.

Name of volunteers, selected for the camp were:

After successfully qualifying various steps prior to get selected for RD camp, one volunteer from B. N. College, Bhagalpur has achieved a remarkable achievement as the successful candidate for republic day parade team. All relevant certificates are attached herewith:

Date: 26.01.2023: Republic Day Celebration:

On the special day of Republic Day, almost all volunteers joined the function to celebrate the 74th anniversary of Republic Day. As per direction given by respected Principal Sir, all volunteers conducted a parade around the locality near college campus.

Date:15.02.2023: Selection of three volunteers for National Integration Camp:

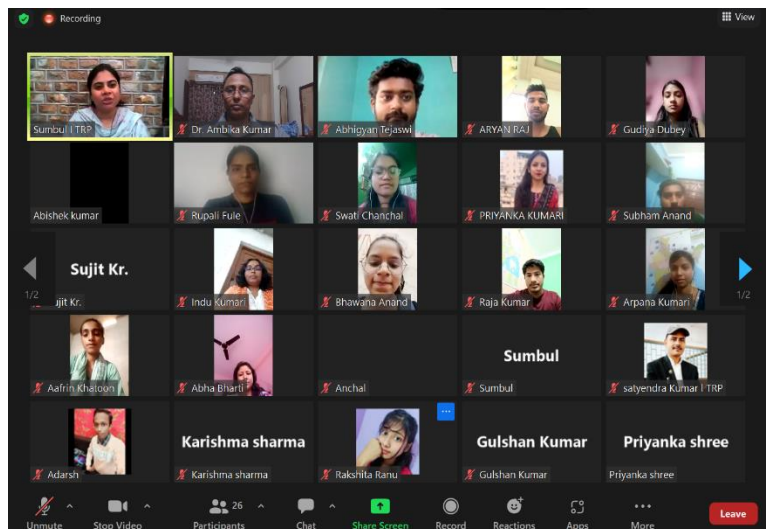

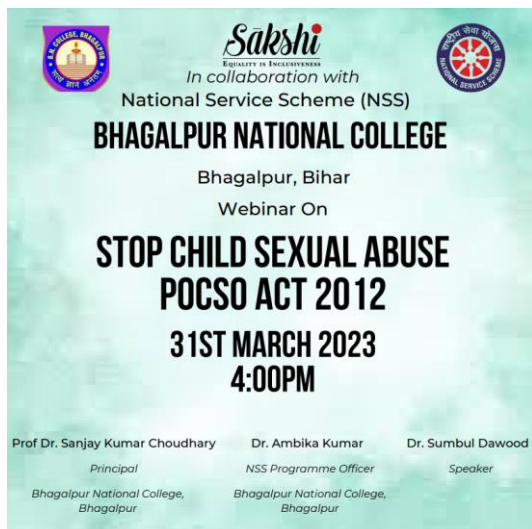

Three NSS volunteers of B. N. College, Bhagalpur have been selected to attend the National Integration Camp, which was being organized by Regional Directorate of National Service Scheme from Feb. 25, 2023 to March 03, 2023. First camp (selected volunteers: Subham Kumar and Nibha Kumari) was organized at M. J. P. Rohilkhand University, Bareilly and another camp (Selected volunteer: Aryan Raj) was organized at BIT, Patna Campus, in which volunteers from different regions of the country mainly explore their performance based on their respective regional art and culture. Selected volunteer Nibha Kumari couldn't attend the camp under unavoidable circumstance.

Date: 30.03.2023: Webinar on POCSO Act:

A webinar on the topic 'POCSO Act and the Prevention of Child Sexual Abuse' was organized by NGO Sakshi in collaboration with NSS Unit of B. N. College, Bhagalpur. - on 31st March 2023. The resource person of the webinar was based on the awareness drive regarding child sex abuse. Several faculty members and volunteers of B. N. College, Bhagalpur attended the webinar on ZOOM platform.

Future Targets:

Along with regular activities/Special Camp by N.S.S. unit of B. N. College, Bhagalpur, we are determined to nourish the extra curriculum activities of volunteers. Our college is yet to be accredited by NAAC, so keeping in mind regarding it we are trying to work in collaboration with various organization/institutes to explore/gain/create/implement ideas to the different localities. In this context, we will arrange different awareness campaign at various localities (priority will be given to adopted village), from which following are important:

- **Focus on Internal Personality Development:** As per experience gained during last few Special Camps, it has been observed that each volunteer has capability of exploring their unique talent. But in the lack of confidence and proper guidelines, they are unable to express it at suitable platform. Many experienced speakers had also asked in the various occasions, regarding importance of Internal Personality Development. Accordingly, we have focused in that particular area. We observed a drastic change in the behavior, discipline and confidence among participating volunteers during camp. Now they were able to perform their talent and explore their ideas anywhere and in front of anyone. The feedback collected from the volunteers also indicated that how they got benefitted with this camp.
- **Pollution awareness drive:** Our aim is- Protecting the environment should not be symbolic and should be performed each year. Accordingly, we will conduct various awareness programme in order to make people more sensitive towards pollution awareness.
- **Health awareness drive:** Our special intention will be given to deprived communities particularly to the children for an easy access to health care. Our N.S.S. unit will encourage periodic health check-up awareness programme and various health interventions on the regular basis. It will also aim to omit the gap between the rustic folks and the typical Government Health Service Providers in Block level health centers and PHCs. Such programs will include villagers, retired veteran doctors, health workers and our volunteers.

Blood donation camp: Modern medical science has made lots of advancement, but it is still incapable to produce human blood, the lifeline of human being. At the crucial time, blood donation saves thousands of lives. So, blood donation is important and it needs to be

preserved in the blood banks. In most parts of our society, people are skeptical about donating blood for the cause of saving precious human lives. Hence, our unit motivated the youth of the community to come forward in donating blood for strengthening the bond of humanity in our society. Previously (in collaboration with JLNMCH, Bhagalpur), our unit has organized a blood donation camp within the community settings in college campus, where 10 donors of our unit voluntarily donated blood.

Recently Programme Officer Dr. Ambika Kumar has been invited as a resource person to deliver a lecture in a training programme by NSS, TMBU and BSACS, Patna.

- **NSS special camp:** Apart from regular activities, we are conducting 7 days special camp every year. This year also we will adopt a suitable village and will perform various relevant awareness programme, where volunteers will gain/share valuable interactive as well as informative experiences with villagers.

Note: Special camp for the session 2022-2023 is not organized yet, due to involvement of students in their respective exams. We generally organize the special camp in the month of Feb or March (as weather conditions during these months are favorable for students to work with full efficiencies), but currently frequent examinations schedule, we couldn't organize the same. Soon we will organize this camp.

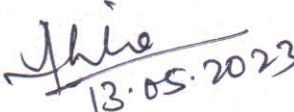

- **Girl education awareness drive:** Every day, girls face barriers to education caused by poverty, cultural norms and practices, poor infrastructure, violence and fragility. Girls' education is a strategic development priority for the World Bank. Girls' education goes beyond getting girls into school. It is also about ensuring that girls learn and feel safe while in school; have the opportunity to complete all levels of education acquiring the knowledge and skills to compete in the labor market; learn the socio-emotional and life skills necessary to navigate and adapt to a changing world; make decisions about their own lives; and contribute to their communities and the world. Girls' education is a strategic development priority. Better educated women tend to be more informed about nutrition and healthcare, have fewer children, marry at a later age, and their children are usually healthier, should they choose to become mothers. They are more likely to participate in the formal labor

market and earn higher incomes. All these factors combined can help lift households, communities, and countries out of poverty.

- **Energy saving awareness drive:** If we wish to save energy, it's important that people become aware of the energy consumption that they are responsible for. Simple changes in people's behavior can quickly lead to significant energy savings, but such changes will only happen if the people are aware of the energy consumption that they have the power to control. If we can guide and encourage them appropriately, people can probably achieve huge cuts in energy consumption. Everyone knows that saving energy is a good thing, but most people will only be motivated when someone can demonstrate just how much energy they are wasting, and just how much potential there is for them to improve. Essentially, we need to raise the energy awareness among people. And for this, we need an energy-awareness campaign.
- **Human right awareness drive:** National human rights commission in India has mandated to “spread human rights literacy among various sections of society and promote awareness of the safeguards available for the protection of these rights through publications, the media, seminars and other available means. In this context, we will conduct an awareness programme to demonstrate fundamental human rights specially people belonging to deprived areas. This drive will also include **voter awareness drive** among people who are unaware and careless about this powerful constitutional right.
- **Cleanliness awareness drive:** Cleanliness is most important for physical well-being and a healthy environment. It has bearing on public and personal hygiene. It is essential for everyone to learn about cleanliness, hygiene, sanitation and the various diseases that are caused due to poor hygienic conditions. The habits learnt at a young age get embedded into one's personality. Even if we inculcate certain habits like washing hands before meals, regular brushing of teeth, and bathing from a young age, we are not bothered about cleanliness of public places. Mahatma Gandhi said, “I will not let anyone walk through my mind with their dirty feet.” But cleanliness drive in high population density area like Bhagalpur, where massive population is unaware/careless about cleanliness, is a difficult job. In this regard, a frequent cleanliness drive is mandatory. Hence, our unit will work in this part also.

- **Women's empowerment awareness drive:** Women's empowerment is the most crucial point to be noted for the overall development of a healthy society. "This puts a strong emphasis on participation in political structures and formal decision-making and, in the economic sphere, on the ability to obtain an income that enables participation in economic decision-making." As per our past experiences, women belonging to rural or deprived area are generally unaware of even their fundamental rights. In such cases, girl volunteers of our unit will work and explore their experiences to them. This drive will also include awareness drive on women and child safety.
- **Interactive sessions with orphanage/old age home/disable persons:** Our volunteers had visited old age home at Nathnagar Bhagalpur, where they conducted cleanliness drive and interacted with older age people residing there. Volunteers could gain some vital experiences with these interactions and have planned to make more frequent visits to these places. Such interactive sessions are very relevant among youths.

Apart from above mentioned awareness campaign, NSS unit of B. N. College Bhagalpur is committed to follow the direction provided through TMBU Bhagalpur letter no. NSS/4967-5003/23, dated 03.05.2023. We have been directed to work in accordance with the proposed programme under the 'Azadi Ka Amrit Mahotsav Abhiyan'. Moreover, we are planning to train some leading volunteers technically, so that they must be able to elaborate different topics via animation/simulation using power point presentation among learners. This innovative technique (for our volunteers) will help volunteers to demonstrate their speech more efficiently and impactfully. Moreover, volunteers will be assigned to collect different data (physical survey or literature survey) to create curiosity in their respective assigned area. If they are able to do some interesting/informative data collection, their studies will be definitely encouraged in the form of publication as review/research article in journals. Such activities will germinate a different way of thinking among volunteers and they will be able to correlate curriculum studies with its vital social values.

STATUS OF NCC IN B. N. COLLEGE BHAGALPUR, 2022-23

The 'Aims' of the NCC laid out in 1988 have stood the test of time and continue to meet the requirements expected of it in the current socio-economic scenario of the country. The NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Further, it aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose. Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces.

In the fulfillment of all above the aims of NCC the B. N. College Bhagalpur is playing a great role. Because this college is giving a number of well disciplined, motivated, trained and well established cadets to the society and country. From the starting of the NCC in the college, various cadets are prepared for the welfare of the society. In this great work this college organize various activities for the cadets. At that time total 160 students are registered from various classes for various certificates like certificate grade 'B' and 'C'.

The NCC of B.N. College is controlled by 23 Bihar BN NCC Bhagalpur, various programs and activities are organize by the battalion, all the rules and order comes from the battalion all the cadets follow with full enthusiasm.

- ✓ The classes and mass drill are organized by the college authority 5 days in every month from 9 AM to 11 AM. All the cadets are provided refreshment during the classes and mass drill.
- ✓ On the day of world environment day (5, June 2022) all cadets took oath to plant 500 plants every year and not to harm the environment.
- ✓ In the month of June, 21st 2022, all the cadets participated in the world yoga day camp in the Zila School Bhagalpur and learned various types of yoga steps.
- ✓ Many social and cultural programs are conducted time to time by the college authority and battalion. In the month of September 2022, physical and written test was organized for the selection of new batch cadets.
- ✓ Various adventurous 10 days camps are organized time to time by the battalion and eligible cadets are allowed to attend the camp. All training camps are organized in Barauni training camp.
- ✓ Dedicated cadets participated in the Blood donation camp and sprayed awareness among people, why blood donation is necessary.
- ✓ On the 26th of January 2023 all the cadets of NCC participated in the Republic day parade in the playground of B. N. College Bhagalpur. They mesmerized the spectators by their soulful performance.
- ✓ Many cadets appeared in the 'B' certificate exam at the center T. N. B. College Bhagalpur on the date of 18 and 19.02.2023 and 'C' certificate exam at the same

center on the date of 18 and 19.03.2023. Successful cadets have been provided their respective certificates.

Note- All the cadets are feeling motivated, enthusiastic and elated to participate/have been participated as corona warrior and social worker. I hope and ensure that NCC will further work with greater enthusiasm and morale.
