Preparation of Academic Calendar

An academic calendar serves as a reminder of important events for students, instructors, and staff during the academic year and semester. Parents, alumni, and potential students all benefit from it. It is basically a schedule of all the events that occur in an academic year. These events may include examination dates, various events to be organised as per holidays calendar provided by governing authority, spring break or reading week and the last day of the semester.

IQAC of B. N. College, Bhagalpur ensured timely preparation and implementation of college academic calendar for the academic year 2022-2023. Inputs and schedules of various events/programmes were collected from Governing council, academic council, office of the Controller of Examinations, sports council, cultural committee, NSS/NCC, etc. Academic calendar took into consideration the curricular, co-curricular and extra-curricular activities in the College and the proposed examination schedules.

The IQAC of B. N. College regularly calls a meeting to review the progress in order to follow the academic Callender. Also, IQAC points out the difficulties (if any) being faced during the progress.

College Newsletters

The newsletter plays a significant role to exhibit all the activities and achievements of the college. The newsletter is prepared by collecting a consolidated report from the concerned department and is being displayed through college website and different social media platform. Besides, the online Daily Newsletter is being released every day through the college website, edited and published by concerned authorities. These platforms can easily be

accessed by stakeholders of the college. We motivate the newly admitted students to frequently visit our website to get aware of updated notifications.

Promotion of participation in Faculty Development Programme:

Faculty development programs prepare teachers with the latest teaching methods. They use technology to impart effective education. Students learn better and therefore perform better at exams. It helps universities to become top-ranked universities.

In this context IQAC, B. N. College Bhagalpur encouraged all faculty members to participate at least one or two Faculty Development Programme (FDP)/Quality Improvement Programme (QIP) in an academic year. Many faculty members have participated various FDP programme to enrich their teaching skills in the academic year 2022-2023.

The potential scope and purpose of faculty development programs

The cell also recommends faculty members of B. N. College Bhagalpur to actively participate the programme, organized by a reputed institutions and to make a brief report on their experiences of the programme. The shared experienced may be useful to their colleague and it may also help to exclude the repeated FDP programme on the same topic.

Promotion of Research Activities:

Faculty members of the B. N. College, Bhagalpur are encouraged to involve themselves in research activities, such as:

1. Performing experimental works in lab-oriented departments
2. Publishing research/review articles in reputed journals
3. Publishing book chapters
4. Editing books
5. Participating in National/International level seminar to enrich their research-oriented skills. Also, such assemblage helps them to get connections with several eminent research personalities.
6. Writing a research project, etc.

Some of our faculty members are of strong research background. They are engaged in research activities in collaboration with different national/international research communities. Though our college does not have facility to perform sophisticated experiments, but the collaborated research works (with PG departments or with other colleges/universities) are always promoted. IQAC also felicitate faculty member(s), publishing a quality research paper.

Promotion of Extracurricular activities:

IQAC of B. N. College, Bhagalpur is committed to develop a complete personality among college students. In this regard, IQAC monitors the activities organized by concerned cells/committees (NSS/Cultural Committees/Sports, etc). IQAC also suggest these committees to motivate students to participate various activities on relevant issues/topics other than academic performance. In this context, we could recognize several hidden talents, who are unable explore their ideas/talents in the lack of suitable platform. Some community interactions are also being performed during last academic year (2022-23) by students in collaboration with NSS unit of B. N. College, Bhagalpur. On the recommendation of IQAC several activities have also been added in the NSS regular activities.

Meeting regarding Infrastructure of college:

A meeting had been organized by IQAC of B. N. College, Bhagalpur to discuss the status of infrastructure and scope of improvement in this direction.

Following agendas were discussed:

1. Need of well-maintained girl's common room
2. Need of cycle/bike stand for students
3. Need of Bike/Car parking for staffs
4. Need of a well-equipped conference hall
5. Necessity of high speed wifi
6. Solar panel requirement
7. Attached washroom for staff room
8. Individual chamber/cabin/office for each department
9. Installation of CCTV
10. Renovation of Library and Laboratories.

Meeting for implementation of vocational courses in the college:

Vocational education provides practical training and hands-on experience in a specific field, which can make students more attractive to potential employers. Many vocational education programs also offer internships and job placement assistance, helping students transition from education to employment. In this context a meeting was organized with respective members to discuss to make a proposal (or to resend a proposal, if it has already been send to the university) for implementation of three courses, namely,

1. BCA (Bachelor in Computer Application)
2. BBA (Bachelor in Business Administration)
3. OMSP (Office Management and Secretarial Practice)

A review meeting for NAAC Preparation

An important review meeting was organized by IQAC of B.N. College, Bhagalpur to monitor the current status of all the important parameters for NAAC parameters. In this regard, various agendas were discussed:

- A NAAC awareness drive is required to be conducted among students.
- In this direction, a workshop is also required for all faculty members and non-teaching staffs.
- A functional IQAC committee is to be constituted (based on 7 criterion)
- Some infrastructure related issues were also discussed

A meeting with sports and cultural Committee:

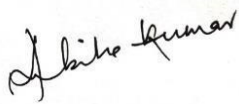

A student's life is no less than a rollercoaster. In addition to learning new skills and exploring various opportunities, a student has a lot to deal with in terms of assignments, practical, exams, internships, workshops, lectures, and much more, essential to ensure optimum academic development. Amidst the busy schedule, it is very important to take a break to refresh oneself. This is where extracurricular activities play a vital role. These activities, during college life, keep you positive, fresh, energetic and go a long way in making you more productive. Not only do they lighten your mood, but they also help in shaping your overall personality and interpersonal skills.

At B. N. College, Bhagalpur, we firmly believe in the importance of extracurricular activities and encourage our students to actively participate in a range of activities. The campus has various sports facilities to ensure a comprehensive learning environment. Gone are the days when the sport was viewed as just a fitness activity. Apart from physical strength, it builds discipline, confidence, team spirit, and accountability. With this in view, sporting events are a priority at the college and it has dedicated teams for various events which compete in inter-college and intra-college competitions.

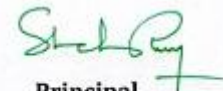

During meeting with concerned authorities, we discussed regarding

- Various activities and achievement of the college students during past few years.
- Percentage of participation of college students in sport and cultural activities.
- Strategies to be adopted to motivate students for their participation.
- All the possibilities were discussed to promote these extra curriculum activities among students.
